EXPERIENCE

IT Intern   Summer 2019 - Present
Therapy Brands, Birmingham, AL
- Helped in projects such as employee organization within our Jumpcloud, Zoom setup, and Slack improvements.
- Helped employees with their general technology problems through Zendesk tickets
- Created automated tasks using Microsoft Flow and Zapier

Web Developer Intern   Summer 2020
Kinetic Communications, Birmingham, AL
- Developed my own portfolio website using HTML, CSS, Javascript, Bootstrap, and JQuery while receiving feedback from the developers at Kinetic.
- Helped maintain websites that Kinetic created by editing their contents via WordPress.

COMMUNITY SERVICE

Foster Parent for Kittens   2018 - Present
Greater Birmingham Humane Society, Birmingham, AL
- House kittens who are underweight for being neutered or have disabilities. The foster period is usually around one month.

EXTRA-CURRICULAR ACTIVITIES

Taste of India Liaison   Winters 2019 & 2020
Asian American Organization at UAB, Birmingham, AL
- Acted as a leader and guide to liaison dance teams that come to UAB to compete for a weekend.
